

## Order Your Official WI MGV Name Badge Today!

The official WI MGV name badge is white plastic with engraved letters and a pin back, approximately 2 x 3½ inches.

### Who Can Order a Name Badge?

Any Master Gardener "In-Good-Standing" at the time of ordering may order name badges. ("In-Good-Standing" means MGs are Active and have completed their initial certification within the last year or are currently recertified.) This will be verified from volunteer hour records submitted to local associations and the MG Coordinator's Office.

### How Do I Order?

#### 1) Through your local association

Submit your name and payment to your local association. They will check to make sure you are eligible and will send in a group order, with a single check for the entire order.

#### 2) If you have no local association

If you are not affiliated with a local association, send in an order form and payment. The Coordinator's office will verify that you are a Master Gardener "In-Good-Standing."

### How Much Does a Name Badge Cost?

Badges are \$6.50 each, including delivery.

Small orders (1-3 badges) require an additional \$2.00 shipping fee.

Checks must be made payable to **UW-Horticulture**.

### How Long Before I Get My Badge?

Name badges will be delivered to the local association within 3-8 weeks of ordering. An estimated arrival date will be provided with the confirmation of the order.

### Send orders to:

Susan Mahr
